ABOUT INSTITUTE

Bansal College of Pharmacy, Bhopal, with Proclaimed objective of becoming centre of excellence for teaching in pharmaceutical sciences. The college was established by Shrinivas Education society in 2003, whose founder chairman was Shri K.C. Bansal ji. College is situated at beautiful academic campus near New transport Nagar, Kokta, Raisen Road, Bhopal (M.P.). Bansal College of Pharmacy is a premier Institute of BANSAL GROUP (Group of companies involved in various sectors like health care, mining, export, media, industry, and construction work) The college has excellent infrastructure, Faculty, Library and Modern laboratory facilities to update the knowledge and develop the students to various advanced techniques essential for pharmaceutical industries. We also invite experts from various industries and academia to deliver talks on several topics of importance. College also takes special care to develop the student's communication, personality development and aptitude skills by organizing special lecture training by experts.

VISION

We will provide an unparalleled experience to a budding pharmacist as the most trusted college.

MISSION

To improve the overall well-being of a budding pharmacist by providing the best education through hybrid learning, clinical practice and research.

OUR ACADEMICIANS

Teachers are one of the main pillars of a sound and progressive society. They are also the main source of knowledge and values at Bansal College of Pharmacy, Bhopal. We have a team of highly qualified and experienced faculties with specialization in various subjects. With a view to further equip and enhance the skills of our faculties supported by an integrated know-how and skill set required to excel in their respective profiles faculty development programs (FDP's) are organized with extra emphasis on personal conduct and professional effectiveness.

In the time of Pandemic our institute continues its unstoppable journey of providing best education to its students through online teaching platform. A world class learning Management system CANVAS is implemented for this purpose.

STUDENT REFERENCE MANUAL

Student Reference Manual, a source of immense knowledge and a technical guide for systematic and regular study, is issued to every student well before commencement of new semester.

EXAMINATIONS

Examinations are conducted as per RGPV guidelines. There are two Sessionals exam (Theory & Practical) conducted amid of semester. The pre university test conducted before RGPV final theory & practical exam in order to make students prepared for the main exam.

ANTI-RAGGING COMMITTEE

The institute adopted zero tolerance policy against ragging. The punishment are as per UGC regulation on curbing the menace of ragging in higher educational institutions-2009.

"Say No to Ragging"

<https://www.antiragging.in>

STUDENT DISCIPLINE

Students are expected to maintain a high standard of discipline for efficient learning and the best possible development of personality. As per RGPV, Bhopal students are required to attend not less than 75% of lecture and tutorials etc. in each subject and to complete 75% of practical work in practical subjects in order to qualify for appearing at the university examination. Students who wish to take leave must send application in writing countersigned by their parents or local guardians.

TEACHER GUARDIAN SCHEME

There is a Teacher Guardian scheme in the institute to establish good sense of rapport and develop a healthy Teacher- Student relationship. In this scheme the teacher will act as a mentor, guide and philosopher. Our teachers interact constantly and keep themselves in contact with the students always so that problem of students regarding educational, socioeconomical, health related and family related could be sorted out and most possible help could be rendered to the students.

AWARDS AND RECOGNITION

STUDENTS:

BGI provides awards to its meritorious and diligent students. For each semester and branch there are awards for their performance.

FACULTY

Our faculty receives awards for their performance in terms of results of their students in RGPV exams.

FACILITIES & STUDENTS LIFE

IDENTITY CARD

Students are issued Identity Card on payment of actual cost. The students must carry the identity card in person all the time in the institute and in the town. This identity card will be beneficial to the students for personal identification in journey, excursion, industrial visit as well as in the public places & the institutions.

TRANSPORT FACILITY

The institute provides safe transport facility specific for student and other staff members in the form of Buses. These buses are available from all corners of Bhopal and from Sehore, Gairatganj, Raisen, Vidisha, Obedullaganj, Narsinhgarh. The bus facility is free for the student.

HOSTELS

The college has tie-up with different hostels for the students (Separately for boys and girls). They also have the option to arrange their own PG/ Hostels in the local area or can stay in hostel facility provided by the college located nearby college campus.

CANTEEN

The canteen provides nutritional and healthy food and other items for the students. The quality of food in canteen is controlled by institutional committee.

SPORTS

Indoor Games: Indoor games such as Table Tennis, chess, Carom etc are played by students regularly.

Outdoor Games: Several outdoor games are enjoyed by the students such as Cricket, Football, Volleyball, Kho-Kho, etc.

CULTURAL ACTIVITIES

Cultural activities are also organized time to time as fresher's welcome, Annual Function, Farewell for outgoing students. All activities are managed by the students through Pharmaceutical Society of the college. **BGI TIMELAPSE** (formerly celebrated as Bansalotsav), festival of technical, cultural and sports, is a prestigious programme organized every year.

NCC & NSS

National Cadets Corps(NCC) aims at development of character, discipline, comradeship, secular outlook, ideals of selfless services, adventure spirit and inculcates leadership skills among students. BCP college is one of the first private educational institutes of the central region that has Girls NCC platoon having more than 50 cadets. Since many years, students have participated in NCC and have successfully joined the defense sector. NCC Nodal wing for boys is also available.

INDUSTRIAL VISITS

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum. The objective of an industrial visit is to provide us an insight regarding internal working of companies. With an aim to go beyond academics, industrial visit provides students a practical perspective of the work place. It provided us with an opportunity to learn practically through interaction, working methods and employment practices.

Industrial visit is a regular feature in Bansal College of Pharmacy. Students of all the branches and all the semesters visit to the working areas, manufacturing companies, Pharma industries, Hospitals etc depending upon its relevance to the branch/programme.

SEMINARS/ CONFERENCES/WEBINARS

We often come across the issue regarding the level of higher education not meeting the industry expectation. To bridge this gap and equip the students of current generation with new-age technologies, seminars and workshops play an imperative role. They assist in passionate interaction and active participation boosting the skills and expertise of students.

Memorandum of Understanding

Bansal college of pharmacy has signed MoU with Scan Research Lab and R B Science Bhopal, on collaborating professional training loaded with technical expertise insights to the Pharmacy students of Bansal College of Pharmacy, who will be the future pharmacist of the leading innovation in the industry. This Memorandum of Understanding will help promote great academic objectives, make students industry ready and improve technical skills through training. The MoU will also support placements for the students of Bansal College of Pharmacy, Bhopal.

TRAINING AND PLACEMENTS

The experienced Training and Placement team with corporate background has been able to establish strong links with the companies. The HR officials of the visiting companies have not only appreciated the efforts of T&P cell but also appreciated the state of the art infrastructure of Bansal Group. As a result, many leading companies are committed to visit Bansal Group of Institutes for campus recruitment drives.

Our experienced Training Team ensures that students are industry-ready before entering the corporate world. We have put into system a training module which focuses on Aptitude, Attitude & Technical Development of the students.
